

CHARTERS TOWERS  
REGIONAL COUNCIL

# Steven Plant Councillor

## Biography

Councillor Steven Plant was born and raised in Charters Towers, attending Millchester State School for his primary education before graduating from Charters Towers State High School in 2004. Married to his wife, Dani, he is a loving father to two daughters and two stepdaughters. With a large extended family including five nieces and four nephews, family gatherings are always lively and cherished occasions.

As an Electrician/Linesman by trade, Cr Plant plays a vital role in ensuring the functioning of the region's power infrastructure. Currently serving as the Work Group Leader at the Charters Towers Ergon Energy Depot.

### Community Involvement:

Previously Cr Plant has been an active participant in various local teams throughout his life. From Junior and Senior Cricket, Junior and Senior Miners Rugby League and Charters Towers Bulls Rugby Union.

### Personal Interests:

Cr Plant enjoys raising his family in the region as it has a lot to offer in terms of schooling, leisure activities, and a great sense of community spirit. He enjoys fishing or finding satisfaction in the quiet moments of gardening and landscaping. A master of the smoker, he delights in cooking good food. When not out fishing or manning the grill, Cr Plant can often be found cheering on his favourite NRL team, the mighty Cronulla Sharks.
