## INFORMATION TO RATEPAYERS

- 1. Notice** - In accordance with the Local Government Act, Notice is hereby given that the Rates and Charges levied by the Charters Towers Regional Council (plus arrears of rates and charges with interest, if any) on the property of which you are the owner (or lessee), are now DUE AND PAYMENT WITHIN 30 DAYS from the date of issue of this notice.
- 2. Discount** - The 'brought forward' balance on this notice may include unpaid general charges and other debts, as well as overdue rates. If you wish to receive the discount as shown on this rate account, then you must pay that current rate and any overdue rates by the due date. In the event that a dispute exists between yourself and Council relative to the charge contained on this rates notice, such dispute does not extend the discount period. Should you be successful in your dispute, full refunds where applicable, will be processed. ***It is strongly suggested that payment is not left until the last day, as Council does not accept responsibility for postal, electronic banking or other unforeseen delays. Payment must be receipted on or before the due date of this rates notice.*** Should this notice contain any non-rates/utility charges, discount entitlement will not be affected by the non-payment thereof. **Important:** See Information Booklet for discount percentages.
- 3. Interest** - On overdue rates is based on the maximum interest chargeable in accordance with the Local Government Act compounding daily. Should your rates notice show an 'arrears' component, interest is accruing on this amount, and will continue to accrue until the rate account is paid off in full. Relative to the current levy, should this rate account not be paid by the due date as printed on the Rates Notice, nor an Interest Free Rate Instalment Arrangement granted (See Clause 13), interest will be charged on all overdue rates and charges from and including the first day after the discount period.
- 4. Water & Sewerage Charges** are levied in accordance with the adopted schedules as per the rates & charges summaries, included in the Information Booklet.
- 5. Excess Water** - Should you have a question in regard to excess water levied on the rates notice, please contact the Rates Section on 07 4761 5300.
- 6. Waste Management Charges** are levied in accordance with the adopted schedules as per the rates & charges summaries, included in the Information Booklet.
- 7. Pensioners** - Property owners who hold a current Pensioner Concession Card issued by the Commonwealth Government or hold a Gold Card issued by the Department of Veterans' Affairs are entitled to apply for State and Council pensioner concessions on rate accounts covering their primary place of residence. If you qualify, and have not received pensioner concessions on this rate account, contact the Rates Section on 07 4761 5300. Pensioner concessions are made up as follows:
  - a. An unconditional State Government Subsidy.
  - b. A Council Remission (conditional to 'payout in full' of the rate account by the due date on the notice).
- 8. Valuations** - The valuation used for general rates is provided by the Department of Resources (DR). Please contact DR on 13 QGOV or email ValOperations2@resources.qld.gov.au if you have a question on the amount of this valuation. Should the status of this property alter throughout the year, (such as a reconfiguration or a revaluation), rate levies will be adjusted accordingly.
- 9. Recently sold or reconfigured properties:** Should you receive a rates notice for a property which you no longer own, or a rates notice which does not reflect a reconfiguration which has been finalised, please contact Council on 07 4761 5300. Please note that there can be considerable delay between registration of a Transfer or registration of a Reconfiguration with DR, and the time when the associated advice is passed onto Council. Accordingly, Council is required to levy in accordance with the data held within the rating system, while it is acknowledged that this may not align with recent changes, not yet advised. Thank you for your understanding in this matter.
- 10. Change of Mailing Address** - It is the responsibility of property owners to inform Council of changes to their postal address. **Only written advice** will be accepted, in which all property owners are required to sign the advice provided to Council which will be accepted via fax, mail or by emailing (mail@charterstowers.qld.gov.au); or Council's Rates Change of Mailing Address Request Form can be printed from Council's website: www.charterstowers.qld.gov.au. Complete, sign and forward to Council. **Important:** Please note that address changes are not confirmed as received by Council until in return, you receive a copy of a **signed Confirmed Advice**. It is the responsibility of the owner to ensure that they receive the confirmation form.
- 11. State Government Emergency Management, Fire & Rescue Levy** - Please note no discount applies to this levy. **Important:** See Information Booklet.
- 12. Bpay, Telephone or Internet Payments** - It is recommended that payments via these methods are transmitted at least 3 days prior to the due date of this notice, to enable your payment to be receipted to council's Rating System on or before the due date.
- 13. Rate Instalment Arrangements** - On application, and subsequent approval, Arrangements can be entered into allowing ratepayers to pay off rate accounts by **interest free** instalments. **Instalment Arrangements must be re-applied for each year**, unless an 'Ongoing Periodic Authority' is in place, as noted on the signed paperwork. To apply, tick the Instalments option on the remittance slip, complete questions a - d (**mandatory**) and mail or fax the remittance slip to Council **prior to the due date**. (Should you not receive a response to your application within seven working days, please telephone 07 4761 5300). Instalment Arrangement requests received after the due date of this rates notice **will incur interest charges** as set out in clause 3. Instalment Arrangements on rate accounts containing arrears will also incur interest. **RATE INSTALMENT ARRANGEMENTS MUST BE APPLIED FOR BEFORE THE DUE DATE OF THIS RATES NOTICE.** No discount is available to non-pensioners on Rate Instalment Arrangements.
- 14. Credit Cards** - For **security purposes**, mailing or faxing credit card details is no longer available. Telephone **as per the front of the notice**, or pay via the internet at **www.charterstowers.qld.gov.au – available 24 hours**. A payment by credit card is not receipted until authorisation is received from the Credit provider. Should this be disallowed and replacement funds not receipted on or before the due date, discount cannot be granted.
- 15. EFTPOS** is available (to daily limit set by your Bank) for payment of accounts. Council Policy does not allow for cash withdrawals.
- 16. Scan & Pay** - is available with iPhone, iPad or Android Device. Download the Australia Post app, select 'Pay your bill', scan the barcode and enter your payment details. **Internet connection required.**
- 17. Cheques** - Change cannot be given on cheques. Post-dated cheques are not accepted. All cheques will be banked on the day of receipt. Where cheques are dishonoured, property owners will be liable for any dishonour fees charged by the Bank, and discount will be lost should replacement funds not be receipted prior to the due date. Acceptance of a cheque and issue of a receipt therefore is conditional upon collection of the proceeds.
- 18. Explanation of instalment Payment Method Code:**  
D/DB                      Periodic authority to debit a nominated bank account
- 19. Prepayments:** The smart way to pay your rates. Pay as much as you like, when you like, using any of the available payment methods. Interest payable is not available on prepaid credit balances.

**DO NOT PAY ON THIS NOTICE - COSTS INCLUDED ON RATES NOTICE**

**2024/2025 Consumption (Period: January 2025 to June 2025)**

Be sure to check your water usage regularly, at least monthly, by reading your water meter

**Residential Allocation Tariff:**

If you have remained on the Allocation Tariff, to avoid excess water levies, you must not exceed your allocation. Your water allocation will be represented by the number of units noted on your Rates Notice. Each unit represents 187.5 kls.

Standard residence (4 x 187.5 kls = 750 kls annual allocation). **750 kilolitres equates to an average of just over 62.5 kilolitres per month.**

**Two-Part Tariff** (All Non-residential properties & Residential if applied)

Your Rates Notice indicates the units linked to your 'Access Fee', and identifies the usage threshold, charged at \$1.16 per kilolitre. Greenvale properties: charged at \$1.07 per kilolitre.

Standard non-residence property (6 x 187.5 kls = 1125 kls annual threshold for usage @ \$1.16 per kilolitre)

Usage above the threshold will be charged at \$2.09 per kilolitre. Please monitor usage closely, to avoid unexpected usage levies on the 2025/2026 1st Half-Yearly Rates Notice.

**Graphs** comparing daily consumption to average area consumption are not included on Notices covering Group 32.
